

## **California Youth Soccer and Recreation Development Grant Program**

### **Purpose of the Program**

To provide financial help to local agencies and community organizations which develop new soccer, baseball, softball, and basketball recreation opportunities in California.

### **Who Can Apply**

All cities, counties, districts, school districts and community-based organizations.

### **Sample Projects**

These funded projects are good representations of the Urban Park Act of 2001 grant program. They provide locations for youth to participate in soccer, baseball, and other active team sports.

- The City of El Monte is creating four soccer fields, a baseball/softball field, eight basketball courts, practice and spectator areas including related amenities.
- A new tournament size youth soccer field is being built in the City of Pasadena.
- The City of Hawaiian Gardens is developing a sports complex featuring soccer, baseball/softball fields and related amenities.
- A lighted soccer field is being built in the City of Sacramento, including landscaping and bleachers.
- The City of Bell Gardens is constructing natural and synthetic turf soccer fields, a multi-purpose sports field, and additional baseball fields.
- New basketball courts are being developed in the City of Lynwood.
